Hawkshaw Lagoon
5K Run / Walk
April 12, 2003 ◆ 8 am

HAWKSHAW LAGOON, a quarter-mile inlet on Pensacola Bay, is located adjacent to Bayfront Parkway and across from Veterans Memorial Park just east of the Seville Historic District. The Pensacola-Escambia Clean Community Commission, Inc. (Clean & Green), in cooperation with the City of Pensacola and area businesses, is working to develop this historic site into a nature park - the focal point of which will be a Memorial to Missing Children. With its place in Pensacola's rich history and as home to many species of birds and rare seagrasses, the lagoon presents itself as a perfect outdoor classroom and memorial site. Here, students and adults of all ages will be able to study the lagoon's ecosystem, plant and animal life, and the history of Pensacola's Bayfront area. Teacher resource guides and visitor brochures will be available to educators and visitors to the Hawkshaw Lagoon Memorial Park. Highlighting the outdoor classroom and nearby Veterans Park, the Memorial to Missing Children, will provide families and friends of missing children a place of solace, while helping young children and their parents learn about the dangers they face in today's world.

COURSE: This fast race course starts at Seville Quarter and runs through the business and historical district of downtown Pensacola.
Water will be provided at the halfway point and at the finish.
